Introduction

At the time when most - if not all - Western political, religious, or even civil society leaders demonstrate eagerness to go down in history as the ones who brought the secret One-World-Government to light, we cannot help drawing the international community's attention to the facts that are stubborn enough to cause this Government to fail. Unless the facts we point out are taken into consideration, the One-World-Government will ineluctably fail the nations of the world in the foreseeable future. Along with millions of Africans at home and abroad, as well as with those in the world who love truth, the oppressed people of Cabinda urgently call upon all Western and Eastern foremost powers to shed light over the One-World-Government Agenda, seemingly, already under way. There is cause for concern, as it proves to be a global enterprise outside the boundaries of humaneness, accurate history, and international law¹.

The idea of a One-World-Government system, per se, sounds good and is exciting to such an extent that we would even push for the entire human family to endorse it carelessly. Yet, unless it adopts a more human and all-embracing schedule, the One-World-Government system to be soon brought to light will necessarily prove to be the most ridiculous project Homo sapiens has ever made. It is the outcome of the White supremacists' unilateral tendency. Hence, it is wanting in honesty. Both the unilateral tendency and lack of honesty are facts obstinate enough to cause the so highly praised One-World-Government to fall short, inasmuch as the latter is meant to do anything but facilitate European exclusive domination of the world. This undermines world stability and the hope for a nonviolent future. In a World Order where Africans and Africa, *i.e. the eldest born and the oldest birth-place*² respectively, are ever since the 15th century (*Slave Trade*) excluded from the world stage and leadership, we cannot help looking upon the One-World-Government coming forth as the worst threat ever.

I. The awfulness of the One-World-Government System

We, oppressed people of Cabinda, believe the secret One-World-Government is long since acting behind the scenes in our homeland illegally occupied by Angola since 1975. Therefore, we look upon both Cabinda and Angola as miniature version of what the World Order under a One-World-Government will look like. Who financed Angola's ruling party [MPLA] when it waged war against the Portuguese imperialist regime in the 1960s and 70s? People should look behind the scenes of the ruling MPLA. The fact is that there are people that President José E. dos Santos listen to. There are people he goes to ritual with, and who put him into power. The real decisions and the real movers and shakers are hidden from the public's eyes. What the Angolan and world public is given is a stage show where the puppets of the architects of the One-World-Government system parade around and make big speeches according to the script of their masters.

"The Angolan government has been destroying us since 1977. They have always been concerned with themselves. Angolan people are still living in poverty. In M'banza Kongo, next to Soyo, where all that oil is being exploited, there is terrible suffering. People can barely feed themselves" - an Angolan lady complains. "Nowadays, the beaches there are filthy. There's rubbish everywhere. The poverty is the same. The degradation is the same. For Angola to change, the entire elite will have to disappear. All of them. Their children are also a problem. They don't want to lose the privileges of their parents" - complains another Angolan lady¹.

What should Cabinda, Angola, and Mother Africa at large really expect from a One-World-Government that takes care of criminal regimes like Angola's, whose art of deceit and the skill of thieving, lying and killing are unparalleled in Africa? Dark-skinned people throughout the world have nothing to expect from a One-World-Government that, in words and deeds, does not value African people's right to dispose of our own means of subsistence and develop self-government. For this reason, those leaders in the West who are getting ready to bring such a Government forth, should be reminded that the general principal of law is that a right cannot arise from a wrong. Likewise, justice cannot originate from injustice! What we are saying is that a One-World-Government premeditated for a New World Order where Black children are excluded from living prosperous lives thanks to their respective countries' natural wealth and resources cannot help being a cheating Government.

"The more you know of your history, the more liberated you are", the memorable Dr. Maya Angelou once said, and justly! The fact is that the terribleness of the One-World-Government system is determined by its builders' anti-Black racism based upon their own fabricated Bible. "Cursed be Canaan! Let him become the lowest slave to his brothers! Blessed be the Lord, Sem's God, and let Canaan become a slave to them! Let God grant ample space to Japheth, and let him reside in the tents of Sem. Let Canaan become a slave to them²." This greatest falsehood

ever is however the root-cause of the Black people's disgraceful survival ever since. Yet, for the reason that a house built upon « Lies » cannot withstand the test of time, we believe truth will prevail against the powers of darkness. In fact, Black people have no reason for doubting the truth of Massey's generalization that «Africa was the birthplace of articulate man, and therefore the primordial home of all things human»¹, including the Holy Writ. It is a fact that the original Bible was written in ancient Egyptian, thousands of years before the Hebrew came into being. Hence, for the sake of honesty, both Blacks and Aryans are required to find the original Bible so we can ascertain the truthfulness of the 'divine revelation' in which Noah, a drunkard of the worst sort, allegedly puts a curse on the race [Black] that first ranged out over the world.

«The Egyptian wisdom, to which the whole wide round of the world is one vast whispering gallery, has been looked upon by bibliolator as the materials that Revelation had to deal with (Cobb, Origines Judaica) - that is, the wisdom pre-extant, for which the Egyptians had toiled during a dateless antiquity, becomes divine revelation when mutilated and misrendered in the biblical version. For the sounder inference to be drawn from the comparatively late origin of the Hebrew letters is not that the subject-matter of the documents is necessarily late, but that it was preserved in the hieroglyphic language which was read by Osarsiph and his fellow-priests from On, before it was transcribed in the later letters. The truth is that the primary records on which the Bible was based were not a product of the Palestinian Jews. In the original scriptures no mistakes are made by the speaker as to the nature of the promises or the place of performance²».

II. You will know the Truth, and the Truth will set you Free

The present-day destruction of Black people seemingly being endorsed by the One-World-Government shows that not only had the ignorant explanation of the Egyptian sign-language engendered the horrible falsehood of Noah's curse, but also determined the actual conspiracy to wipe out the unwanted dark-skinned race on earth. It is not speculation! It is fact, inasmuch as the White supremacist Napoleon Bonaparte and his followers' endeavor is to block for ever the march of the Blacks in the world; it is fact, since Hitler and his henchmen's purpose is that Negroes must be definitely third-class people; it is fact, since the resolve of General de Gaulle's France to live off Africa with a *Colonial Pact*³ ended up being approved by the European Union; it is fact, since the race [Black] that has been both victim of the greatest deportation in human history and victim of the hugest tragedy the world has ever witnessed, is the most forbidden to be in possession of the mightiest weapons for its safety; it is fact, inasmuch as dictatorships, wars, dearth and lethal diseases everywhere in Africa appear to be conspirators' tools meant to annihilate Black population; and it is fact, inasmuch as the scandalous business practices under way in African countries like Angola, as well as the hysterical pillage of Africa's natural wealth

and resources by figure-head government and secret advisers seemingly set by the architects of the One-World-Government, are intended both to keep African natives trapped in poverty and misery and to make the rest of the world believe that rich raw materials reserves are anything but a curse¹ to their natural owners.

«The secret of the ancientness and sanctity of the writings is that they were originally Egyptian, like the Jewish community. They are not the product of any ground-rootage in the land of Judea. They come to us masked and in disguise. The wisdom of old, the myths, parables, and dark sayings that were preserved, have been presented to us dreadfully defeated and deformed in the course of being converted into history. An exoteric rendering has taken place of the esoteric representation which contained the only true interpretation. The past was known to Philo, the learned Jew, who when speaking of the Mosaic writing told his countrymen that "the literal statement is a fabulous one, and it is in the mythical that we shall find the true". To understand their own books, their religious rites, festivals, and ceremonies, the Jews will have to go back to Egypt for the purpose of comparison (p. 423). The origin of various superstitions and customs seemingly insane can be traced to sign-language. We must seek an explanation for this in the symbolism of Egypt that was carried forth orally to the ends of the earth (p. 18). An ignorant explanation of the Egyptian Sign-language was begun by the Greeks, who could not read the hieroglyphics. It was repeated by the Romans, and has been perpetuated by "Classical Scholars" ever since. But, as the interpreter of Egypt, that kind of scholastic knowledge is entirely obsolete. Ignorance of primitive sign-language has been and is a fertile source of false belief. (...) One of the most profound perversions of the past has been made in misapprehending this primitive sign-language for what is designated "Worship", whether as "Sun-Worship", "Serpent-Worship", "Tree-Worship", or "Phallic-Worship" (p. 11)².»

«Amongst the Egyptian sayings that have been taken literally by the Jews and Christians is the statement that the meek shall inherit the earth. We read in the Psalms, "Those that wait on the Lord, they shall inherit the land. Yet a little while and the wicked shall not be. But the meek shall inherit the land, and shall delight themselves in the abundance of peace. Their inheritance shall be for ever. But the wicked shall perish. Such as blessed of him shall inherit the land, and they that be cursed of him shall be cut off. The righteous shall inherit the land. Wait on the Lord, and he shall exalt thee to inherit the land" (Ps. xxxvii). If such promises and prophecies had applied to the lands of this world (which they did not), our English race would have proved itself to have been the most righteous people on earth, and the landless Jews the most utterly deceived by the Lord on whom they waited, (...). It never was our earth that the meek or the righteous were to inherit, but the land in the earth of a future life, the land that was promised to the doers of right and the fulfillers of justice on this earth, who became the cultivators in the fields of divine harvest for eternity. In the Egyptian teaching this land of promise, of plenty, and of peace was the land of Hetep, the garden of Aarru, the elysian fields, the paradise of spirits perfected who were the only righteous on the summit of the mount, which had to be attained by long climbing in the life hereafter as well as in the life on earth. That was the only land to be

attained by those who waited on the Lord. (...) But change the venue and pervert the teaching by making this land of promise an earthly possession, as is done all through the biblical writings, and you have an alleged divine sanction and warrant for all the robbery of land and all the iniquity that has been perpetrated against the weaker races of the aborigines by God Almighty's favourite whites. The Jews professed to wait upon the Lord, therefore they were to inherit the land. The Spaniards like-wise waited on the Lord, and therefore the lands of the Peruvians and Mexicans were theirs by divine right. So has it been with the English in America, in Australia, in Africa. They who wait upon the Lord once a week, or once a year upon Atonement Day, without atonement, shall inherit the earth. And all the time such teaching is not only utterly immoral, not only ethically false; it never had the signification assigned to it by the Jews and Christians when first taught by the Egyptians. A false bottom has thus been laid by this perversion of old Egypt's wisdom, and on that false bottom have the Jews and Christians built for this world, whereas the Egyptians laid their foundations for eternity¹».

It is a self-evident fact that the «truth is the light». Accordingly, the trustworthiness of the One-World-Government and the goodness of its role depend upon its being on the right side of true history, human rights, and international law. Julian Assange's recommendation is to the point, and we could not agree more: "We have to start with the truth; the truth is the only way that we can get anywhere; because any decision-making that is based upon lies or ignorance cannot lead to a good conclusion." Ignorance of the correct significance of the Egyptian sign-language has generated all sorts of lies that have played Whites off against Blacks so far. Thus, it is high time that we did our best to overcome lies and ignorance, for the sake of a wonderful world for children of all races built upon the everlasting rock that the truth happens to be.

III. Black people must be definitely co-Masters of the World

"If corporations are going to be ruling the world, then we [Black people] must be major owners in those corporations" - so the honored Dr. Amos Wilson instructed us in world affairs. He is utterly right! The race [*Kamite*] which first ranged out over the world, the very one whose greatest architects ever constructed an eternal Egypt, whose ancient wisdom is the light of the world, and whose royal blood still sits enthroned here and there in the West, deserves to sit and to have a strong voice in the upcoming One-World-Government, if any. The coming back of Black people to power as co-Masters of the world is a mere business of fairness; all the more so as "Western Europe's very existence depends on the resources of Africa and the continued control exercised by the Western European powers over this continent²"; all the more so as the powerful magic symbols being used by the builders of the One-World-System and the rituals and *Hermetic Magic* (black magic) they are committed to originate with the ancient Egyptians;

¹ See: «*Ancient Egypt - The Light of the World*», by Gerald Massey, (originally published in 1907), Cosimo Classics, New York, 2007, p. 421;

² Conversation between Dr. Paulo Cunha, Portuguese Foreign Minister and the Honorable John Foster Dulles, US Secretary of State, in «Foreign Relations of the United States, 1955–1957, Volume XXVII, Western Europe and Canada, Document 148: Memorandum of a Conversation, Department of State, Washington, November 30, 1955»; Related link: <http://history.state.gov/historicaldocuments/frus1955-57v27/d148>;

all the more business of fairness as the secret of the ancientness and sanctity of the writings is that they were originally *Kamite* [Black], just like the Jews community; all the more business of justice as the reports that the West is pouring money into Africa through foreign aid and other private sector flows, without receiving much in return, are anything but lies because Africa has in fact been a net creditor to the rest of the world for decades¹; and all the more business of honesty as the *Merovingian dynasty* which wove its bloodline into the royal bloods of Europe was Jewish in origin, i.e. tied to *Kamite* [Ancient Egypt]. «*A Jewish Princedom in Feudal France, 768-900*» is a valuable history book on the Middle Age that acknowledges the *Merovingians* to have been of Judaic descent, deriving from the royal line of David.

Indeed, history is fundamental. To control the past is to control the present. And in order to know where we are going, we need to know where we have been. The Black race must be definitely co-Master of the world for the sake of righteousness. But if we are to be definitively excluded from being co-Masters from now, then we should prepare ourselves to be lynched in the not too distant future on the pretext that we [*Kamite people*] are the root-cause of the White people's current degeneration. Gerald Massey's «*A Book of the Beginnings*» (op. cit.) appears to be of much assistance. The book goes in and shows in detail how the inhabitants of the British Isles came originally from Egypt. In this respect, Fritz Springmeier, in his book «*Bloodlines of the Illuminati*» (1995), says: "This is important because the Druidism of the British Isles was simply a derivative from the Egyptian Satanic witchcraft/magic of Ancient Egypt. The Egyptian word *Makhaut* (clan / family) became the Irish *Maccu* and the *Maccu* of the Donalds (clan of Donalds) now reflected in the name MacDonald. (...) Ptah-rekh, the name of the Egyptian god Ptah, was passed down to us by the Druids adopting the name Patrick, which sounded similar." His book also contends that the Illuminati are the continuation of the Mystery Religions of Babylon and Egypt, and that their bloodlines go as far back as to ancient times of the everlasting Egypt. The fact is that the Illuminati, who have allegedly amassed a great deal of power and wealth on this planet, are increasingly being pointed the finger at as the ones whose chief endeavor is to bring White [Aryan] people and the world at large anything but total degeneration into total moral corruption and filth.

Dr. Irene Caesar (Russian scholar) published on 25 March 2014 a remarkable treatise under the title «*Chabad coup d'État in Ukraine: Khazars play double game and shoot both sides*». Her essay is telling that the Satanist-Zionist Alliance is using the United States and the European Union as its assets and proxies for establishing the «Global Zion», and that the goal of reconstructing Khazaria is the necessary step towards the global Zionism. The paper is also telling that "White degenerates in London and Washington serve the interests of Turks and worship the God of Negroes; that they believe their master is *Seth / Set / Sata / Satan* - the God of Negroes from Ethiopia (*the Upper Egypt*); that by worshipping the Negroid god of death the White degenerates in London and Washington are bringing devastation and death to their white lands; that White fools from London and Washington do rituals of Negroes, such as human sacrifice, pedophilia and drinking of infants' blood; and that renegades in London and Washington are bringing the

¹ See the joint-report of AfDB: African Development Bank and GFI: Global Financial Integrity; Related link: <http://www.afdb.org/en/news-and-events/article/new-afdb-gfi-joint-report-africa-a-net-creditor-to-the-rest-of-the-world-11856/>

Whites in Europe as well as in America to the brink of extinction. In addition, her essay claims that 92% of the modern Jews are but fake Jews from Khazaria, since they are not Semite (half white half black) and instead they are Mongoloids-Khazars/Turks converted into Judaism in the 8th century; and that they are White supremacists and ultra-radical Neo-Nazis pretending to be god's chosen Ethiopians from the Tribe of Seth/Tribe of Judah.

Since the *Solomonic Dynasty* is, as a matter of fact, the royal dynasty of the tribe of Judah in Ethiopia, and since the architects of the One-World-Government system claim to descend from the *House of David*; carry on the Seal of Solomon as their logo; and allegedly practice the rituals of Negroes; to avoid being looked upon as monsters and ultimately being exterminated on the pretext that we are the root-cause of Aryans' present-day falling apart, Black people must be definitely co-Masters of the world. Our task and duty as co-Masters of the world is to restore honesty and genuine togetherness among nations of all races, by committing ourselves to bring out the esoteric representation which contained the only true interpretation of Egypt's Holy Writ, Sign-language or Ancient Wisdom. It rests with Blacks both on the Continent and in the Diaspora to bring back the genuine significance of the Egyptian myths, symbols, parables, dark sayings, and rituals that have been disgustingly defeatured and distorted in the course of being converted into history.

IV. Talks between Blacks and the Architects of the One-World-Government

We [*Kamite people*] are required to talk the White architects of the One-World-Government into embracing us as co-Masters of the world, if only to ascertain their Government's Agenda is fair and non-racialist. Our sincere belief is that a One-World-Government System that backs in words and deeds the Human Family's faith in fundamental human rights, in the dignity and worth of the human person, in the equal rights of men and women of all racial features and of nations large and small, is definitely possible. Nevertheless, honesty is a necessary ingredient for this System to function successfully. Lies and all sorts of deceptions not only cause distrust but will seriously damage any society until it collapses, because trust and honesty are essential to communication and productivity. Knowledge is power, and lies diminish the knowledge of deceived victims, and therefore diminish the power of the deceived. The fact is that if a person distrusts the words of another person, he will have difficulty also trusting that the person will treat him fairly, have his best interests at heart, and refrain from harming him.

In both Cabinda and Angola, and Africa at large, we are still victims of deceit. Figure-head government of Angola and its secret advisers ruling from behind the scenes are deceitful. They are untrustworthy because of their ruthless lack of scruple. They employ murder, kidnapping, rape, assassination, robbery, and all method of deceit on a grand scale, accepting no opposition to attaining their objectives. Even though the illegally occupied territory of Cabinda accounts for close to 80% of Angola's oil production, estimated nowadays at approximately 2,000,000 barrels per day (311,000m³/d), the figure-head government of Angola disgraces and treats the people of Cabinda as lesser beings. Members of this government and respective families have

amassed an immense wealth thanks to their ruthless lack of scruple. Since both Cabindan and Angolan peoples are forced to live in absolute poverty, and yet Angola's dictator Dos Santos came to power four decades ago with the assistance of Western powers that apparently figure among the advocates of the One-World-Government System, it is to be feared that the praised "Government" will end up establishing a society with only two classes of people - slave owners and slaves.

By allowing the figure-head government of Angola (MPLA) to maintain its colonial power over Cabinda since 1975, although the belligerent occupation of Cabinda is an internationally wrongful act and entails the most serious crimes that indisputably fall within the jurisdiction of the *International Criminal Court (ICC)*, Western powers are wittingly deceiving and humiliating the people of Cabinda that we happen to be. Is it just because of our oil rich fields or because of our being dark-skinned people? Given the United States' strategic interests in Cabinda and in view of our peaceful struggle to get back our political sovereignty, the Cabinda issue is what the prominent US scholar J. Peter Pham, Ph.D., considers to be "the forgotten conflict America can't afford to forget." Nor the United Nations cannot afford to forget, we would add, since the Cabinda question is a step in the process of deconstruction of international law by the Western powers. Angola's atrocities in Cabinda has forced hundreds of thousands of Cabindans to flee abroad, where we are suffering many hardships imposed by the figure-head government of Angola that is acting in complicity with most if not all Western capitals. At this point in time, Western Members of Parliament are approving a financial aid of billions of US dollars to equip the Syrian rebels and to take care of the Syrian refugees. And yet, even though Western powers are getting billions of US dollars on a daily basis out of Cabinda's oil, nowhere is there a single penny approved by Western Parliaments to support our nonviolent struggle and to take care of the destitute refugees that we are in Africa, in Europe, and throughout the world. Just because of Cabinda's rich oil fields, Cabindans are victims of Eugenics today. National Security Memo 200, dated April 24, 1974, and titled "Implications of world wide population growth for U.S. security & overseas interests," says: "*Dr. Henry Kissinger proposed in his memorandum to the NSC that 'depopulation should be the highest priority of U.S. foreign policy towards the Third World.' He quoted reasons of national security, and because (t)he U.S. economy will require large and increasing amounts of minerals from abroad, especially from less-developed countries¹.*" It is hard to believe we can build a more just world out of the debris of the current international law.

"The Rothschilds govern a Christian world. Not a cabinet moves without their advice. They stretch their hand, with equal ease, from Petersburg to Vienna, from Vienna to Paris, from Paris to London, from London to Washington. Baron Rothschild, the head of the house, is the true king of Judah, the prince of the captivity, the Messiah so long looked for by this extraordinary people. The lion of the tribe of Judah, Baron Rothschild, possesses more real force than David - more wisdom than Solomon²."

"The Rockefellers control both education and religion in this country [USA] by their foundations. The Rockefellers have played key roles in the CFR [Council on Foreign

¹ In «Kissinger, Eugenics And Depopulation», by Leuren Moret, Website: <http://www.rense.com>;

Relations]. Rockefeller wrote the book *The Future of Federalism* which supports the union of nations into a world government. For many years the Rockefellers have been pouring billions of dollars into projects and international groups which are working to bring in a public One-World-Government. (The world already has a secret One-World-Government.) The Rockefellers take part in decisions that affect Russia, China and other parts of Asia and with good reason the House of Rockefeller has holdup and assets in these countries too. The investigator of the Rockefellers will find that they have secretly had their hand in the politics of the United States during the 20th century. The decisions and directions this nation [USA] has taken, are the result of countless orders which the Rockefellers have given to their underlings¹."

When the inalienable rights of dark-skinned Christians, for instance the Cabinda people, can be violated, and powerful Christian appellations will not even stand up for their own kind in faith, we can see how much hold the idea of the "*Chosen Race*" theory has over Christendom. There are, however, many reasons why Christians with might will not come forth even though they know of Angola's flagrant violation of international law and resolve to continue to spread death and destruction. Christianity has long since been infiltrated by slave-making and human sacrificing. Alas! "Under Clovis I, who reigned from 481-511, the Franks converted into Roman Catholicism. Through him, Rome began to establish undisputed supremacy in Western Europe. In return for being the sword of Rome whereby the church would manifest her power and impose a spiritual dominion, Clovis was granted the title of "*New Constantine*" and to preside over a unified "*Holy Roman Empire*" based on the church and administered on the secular level in perpetuity by the Merovingian bloodline. Like "the sure mercies of David", this was a pact that could be modified, but not revoked, broken or betrayed. When in 496 the church pledged itself in perpetuity to the Merovingian bloodline it was presumably in full knowledge of their claimed identity. This would explain why Clovis was offered the status of *Holy Roman Emperor*, and why he was not created but only crowned king. In 754 the church clandestinely betrayed its pact²."

Since in politics there is always give and take on both sides, and since we are determined to play our part as co-Masters of the world, we are prepared to have talks with the powers that be about our economic plan intended to reconcile the dependence of Western Europe's very existence on African natural resources and the right of African children to live prosperous lives thanks to their own countries' natural wealth.

Thank you for standing as the spokesman for the interests of the world's peoples at risk.
